„Flexible and customer oriented“ – Layer-Chemie works based on this motto

Based on this rule we supply our customers with products for hygiene at work. Our range contains, beside cleaning agents and disinfectants, also products for personal cleaning and care as well as special products for commercial and vehicle cleaning. Our special focus is hygiene safety when working with food. Sanitary paper, cleaning cloths, cleaning machines and accessories complete our wide assortment.

Layer-Chemie is a member of Highclean Group.
Following the motto - Together. Successful. Acting. - you receive products and service in all locations Germany-wide.

The competent employees of Michael Weissert GmbH support you in case of problems with household appliances, commercial dishwashers and dosing technique as well as water treatment.

Sanit-Chemie is our partner for the trade branch and offers quality and competence - Made by professionals for professionals.
